Misses' and women's wash suits and dresses—great values at \$4.95

OMEN will find their summer requirements so well provided for in our assortments, that to have them made would be a needless waste of time and unnecessary trouble. We have never seen the equal in stylish wash dresses and suits sell at such a low price as the hundred we now offer at \$4.95. Not only are the styles dainty and becoming, but the superior quality of the lawns, ginghams and linons, and the care with which they have been made show them to be no ordinary garments, and women will not hesitate to buy two or three, the price is so low.

> White lawn princess styles trimmed with embroidery. Plain blue and tan gingham one-piece dresses. Figured lawn jumper suits, some with lace; some with embroidery. One-piece dresses of colored barred lawn, yoke of white lawn and insertion. Coat suits of striped duck in tan and blue, -Second Floor. \$4.95

Sale of petticoats bought underprice

\$1.25 sateen and moreen petticoats

79c

The maker wanted money and we took the petticoats at a lower price than ordinarily. The fine, firm quality of the sateen and moreen is alone sufficient to make these a bargain, not to mention the pleasing style, which consists of two small ruffles set on a deep full flounce. Black, green, brown, royal blue and gray. 79c

\$2 genuine heatherbloom petticoats

These were bought under the same circumstances as the 79c lot. Genuine Hydegrade heatherbloom—label inside every waistbanda quality that retails at 35c a yard, and with five yards in a garment the materials alone

would cost you \$1.75. Deep, full sectional flounces. Black, red, green, copenhagen, light and dark brown. \$1.50 -Front Bargain Counter.

Among our warner's rust-proof corsets we have a model for your figure

CTOUT or slender you can be perfectly ifted as the range of models in which Warner's Corsets are made provides one for every distinct type of figure. Ask the fitter in charge of our department to select the model best suited to your needs. There are features in which Warner Corsets excel all others. From the viewpoint of shape, they are as near perfect as it is possible to make corsets, everyone showing latest tendencies of fashion.

> In fitting, fabric, boning, making and construction they are up to the highest standards. They are made to fit and to wear-not to rust, break or tear. \$1 to \$3 -Second Floor.
